Subject: 2010 Bureau of Land Management (BLM) Wildland Fire High Reliability Organization Training

The BLM will hold a wildland fire high reliability organization workshop from March 9-11, 2010 at the National Training Center in Phoenix, AZ. Targeted attendees are state fire management officers, assistant state fire management officers (operations), and district fire management officers.

The intent of the workshop is to help BLM fire managers build highly reliable wildland fire organizations at the national, state and district levels. This effort is linked with goal #5 of the BLM Fire and Aviation Strategic Plan, "A High Reliability Fire and Aviation Organization." Click [here](#) to view the entire plan.

Lodging, travel, funding, agenda and pre-study information will be disseminated to the target groups by January 8, 2010. For additional information, please contact John Glenn, Division Chief of Fire Operations, 208-387-5060, or John_Glenn@nifc.blm.gov.
